Surname Notes: Surname notes are used to indicate that while the transcription is correct the enumerator may have recorded the surname incorrectly in the original. The surname note gives a suggested "correct" surname, along with sources and notes to support the suggested "correction".

 In household 1056 the enumerator recorded the surname as "Hettrington", a suggested alternative is "Hethrington".

The following source(s) support this alternative: ""Répertoire des mariages de la Beauce" and death notice of Florida Hethrington.".
